

How Can Jesus Christ (*a human being*) be Almighty God, *the God of Abraham, who made all things?*

In order to understand how Jesus Christ can be God, we need to comprehend God, so hopefully we can start to envision how Jesus Christ can be a human being and God (*the God of Abraham*) at the same time: the creator of everyone and everything.

No human being can completely accurately describe/visualize God. There are so many things about God that are far past mankind's ability to comprehend/visualize. Mankind only comprehends a tiny bit about God. When we try to explain the tiny bit we think we understand about God, we end up bringing the visualization down to an effort to parallel God somehow to something in mankind's world. If we take the attempted parallel too literally, we can misunderstand (*incorrectly visualize God*), because the attempted effort is only an effort to help explain something that is past mankind's ability to completely comprehend.

I found that when I try to put Biblical information together to form a visualization of God, I usually find a Bible verse that appears to shoot a hole into my visualization.

I have come to believe that God does not allow mankind see a complete visualization of God until the hereafter. We find pieces of Biblical information that give us a partial visualization/comprehension of God, but not a complete visualization. In this article, I will try to piece together what my studies and experiences have led me to believe about God, and how I visualize God. Pray and see if you agree with me.

I believe when we try to visualize God, we tend to visualize God too much like mankind: we tend to visualize a face, arms, legs, being at one place, etc. I believe we should visualize God as “The invisible Force”, who is not inanimate, but alive with feelings and emotions. I believe he is shapeless, unless he decides to take on a shape (*example: the burning bush*). I believe a better mental picture/visualization would be to visualize God as the wind, being invisible, yet being able to feel him, and see his power in action. He is “The one and only Living Almighty Force. He is the invisible Force who absolutely knows all things, and who absolutely controls all things at all times. God is the force that keeps all of outer space moving, keeps our hearts beating, makes the plants grow, etc., etc. There is no life, no energy, etc., which does not come from God. I believe we need to see God as the complete (*total*) force, who is a living being. The living force, who is in and throughout everything.

I believe God is the force of photosynthesis in every plant. I believe it can properly be said: “God causes the photosynthesis to take place in every plant.”, and/or it can be properly said, “God is the photosynthesis in every plant.”

I believe God is the source/force of everything: of gravity, and we could say God is gravity; of all energy, and we could say God is all energy; of all light, and we could say God is all light; of all life, and we could say God is inside all life; etc.; God is the only source of love, and we can say God is love; etc.; etc. I believe we need to see God as the complete (*total*) loving force, who is alive with thoughts, feelings, emotions, etc. God, who is the force, has total authority and power over everything and everyone at all times.

If the things we see were created by a big bang; then, God was the living Force that created the big bang, and he controlled where all the pieces went. The Force (*God*) is

everywhere at all times. God oversees everything everywhere, including the Spiritual world.

I believe people are incapable of visualizing the magnitude of God. Not only does God know the exact number of pieces of sand in the Sahara desert, he also knows the exact number of atoms that make up all that sand, and he is personally acquainted with every atom here and throughout all of outer space, and all atoms and elements everywhere obey him at all times. God (*the living Force*) is so big that everything, including all of outer space, exists inside of him. And at the same time, he (*the living Force*) is so small and penetrating that he (*the living Force*) exists inside everything down to the absolute smallest bit. All life, including all people, animals, plants, etc., exists inside of God (*inside the living Force*). We live and move inside of God (*inside the living Force*). God (*the living Force*) has made everything, and he is inside, and is in complete control, of everything. God even knows our thoughts and the intents of our hearts.

God (*the living Force*) is inside everything, and everything is inside of God (*the living Force*). Absolutely nothing exists outside of God.

When humans reproduce, human sperm unites with a woman's egg (*which is called conception*), and the new human being is part his dad, and part his mother. With the conception of Jesus Christ, God caused him to come into existence and grow inside Mary without any sperm. Jesus Christ is the Son of God, no human male was his father: God was his father. Jesus Christ is the son of man (*mankind*), because his mother Mary was *mankind*. Jesus Christ is also the Son of God, because God is the one who caused the cells to grow inside Mary. His mother Mary was mankind,

his Father is Spirit. I believe Jesus Christ is the God of Abraham (*who is Spirit, a bodiless being*) living/dwelling inside his Son (*a body of mankind*): the Father in (*inside*) the Son.

I believe Jesus Christ was Almighty God (*the God of Abraham*) walking/talking on the earth inside his Son.

I believe Jesus Christ is a human being and Almighty God, at the same time.

God speaks to mankind through his Son Jesus Christ.

I like to compare Jesus Christ to the event of Moses and the burning bush. God talked to Moses from the burning bush. When God was inside the burning bush, we can say the burning bush was God, until he exited the bush. When Jesus Christ was walking in our world; God talked to the people from the body of his Son, Jesus Christ.

The best we can do is to understand that Almighty God dwells inside the body of Jesus Christ, and that God speaks to mankind through Jesus Christ (*compare this to God speaking to Moses through the burning bush*). Jesus Christ is God, because God is always completely dwelling inside of him (*Note: God completely dwelling inside Jesus Christ does not hinder God from dwelling every place else at the same time*).

I believe Jesus Christ was Almighty God walking on the earth in (*inside*) his Son "Jesus Christ". I believe Jesus Christ was a human being and Almighty God (*the God of Abraham*) at the same time.

How could Jesus Christ live without ever sinning?
This is because he is more than mankind, he is also God.

This article does not teach us the needed information about how to join Jesus Christ (God) the Bible way, plus many other things that we need to understand to properly grow and mature into Jesus Christ.
